MEMORANDUM FOR: SSA/DDM&S

SUBJECT : Cover Considerations in Use of CIA Tunnel Postal Station

REFERENCE : DDO Support Officer's Notes, dtd 23 Jan 74

1. Paragraph 4 of Reference advises that a self-service postal station is in process of construction in the CIA tunnel.

2. It is requested that the announcement of this new service contain the proviso that "personnel under cover may not use the facility for mailing personal mail." Anyone who collects mail from an Agency postal facility is in a position to compile from the return addresses a list of Agency employees. This possibility constitutes an unnecessary risk for personnel under cover who should use postal facilities available to the general public.
